ERP Iron Ore, LLC,

Debtor.

Chapter 7
BKY 18-50378-WJF

NOTICE OF SALE

TO: The United States Trustee, all creditors, and other parties in interest.

On January 24, 2019, or as soon thereafter as the transaction may be completed, the trustee will sell property of the estate as follows:

The trustee intends to sell an approximately 5-year old Dell laptop computer, Model M3800, to Mielke Electric Works for \$200. This is an unscheduled asset and the sale proceeds will be held in a segregated account, subject to the liens of secured creditors. Payment is due 14 days upon approval of this Notice. Any proprietary information of the debtor shall be wiped from the computer and transferred onto a flash drive and sent to the trustee.

The Trustee believes the costs of recovery and liquidation would quickly offset any value to the estate and as such, this sale is in the best interest of the estate. The trustee requests that the stay pursuant to Bankruptcy Rule 6004(h) be waived and shall not apply to this sale. The asset is sold "as is" without any representations and warranties.

OBJECTION: MOTION: HEARING

Under applicable rules, any objection must be in writing, be delivered to the trustee and the United States Trustee, and be filed with the clerk, not later than 12:00 noon on the day before the above date. If an objection is timely delivered and filed, the court will hold an expedited hearing on the objection with reduced notice of the hearing. The hearing will be scheduled by the trustee with notice by the trustee to the objecting party and the United States Trustee. If an objection is made or an order is required, the undersigned trustee moves the court for such orders as may be necessary and appropriate.
